Joint Conference of the NZ Psychologists of Older People and the Australian Psychological Society’s Psychology & Ageing Interest Group in partnership with the AUT Centre for Active Ageing

Friday 28–Saturday 29 June 2019
Auckland University of Technology, Auckland

Keynote Speakers

Gerard J. Byrne, Ph.D., FRANZCP
 Professor & Head, Discipline of Psychiatry
 The University of Queensland
 Brisbane, Australia

Nancy A Pachana, Ph.D., FASSA
 Professor of Clinical Geropsychology
 The University of Queensland
 Brisbane, Australia

Dr Duncan McKellar, FRANZCP
 Head of Unit, Older Persons’ Mental Health Service, Northern Adelaide Local Health Network
 Adelaide, Australia

This conference will be of interest to all clinicians working with, or conducting research with, older people.

This will be a great opportunity to catch up with latest developments and network with colleagues here and across the Tasman.

As usual we have worked to keep registration costs at a minimum!

	Early bird – before 31 st May	Full price
NZPOPs and PAIG members	\$200	\$250
Non members	\$270	\$320
Student	\$150	\$200

Note: All rates in NZ\$

Due to low rates, no single day rate is available.

Registration now open:
